

Opp Utilities Board
Job Announcement

Water Well Maintenance Operator – Water/Wastewater Department

The Utilities Board of the City of Opp is seeking qualified applicants for the position of Water Well Maintenance Operator. Under the direction of the Water & Wastewater Supervisor, the Water Well Maintenance Operator is responsible for maintaining and operating the Utilities Board's water wells. Essential job functions include, but are not limited to, checking water wells daily to ensure wells are working properly; performing necessary maintenance on motors and pumps; maintaining daily and monthly reports; making daily checks on chlorine levels; taking samples and performing tests as required by ADEM regulations; maintaining pump houses and grounds to ensure proper operation and safe working environment. Perform other related duties within the department as assigned.

Pay will be based on experience.

Qualifications

- Must possess a high school diploma or GED.
- Two years' experience working with municipal water system.
- Water Grade II certificate required.
- Must be proficient in math calculations.
- Possess physical strength and agility to perform required job duties.
- Must be able to work overtime, nonstandard hours, weekends, and holidays as needed and will be required to be on call.
- Must have a good driving record and a valid Alabama Driver's License.

Benefits include

- Health insurance
- Vacation
- Sick leave
- Alabama State Retirement
- Life insurance

Applications will be taken until the position is filled.

Qualified applicants may print an application online at www.cityofopp.com. Applications may be picked up, completed off-site, and returned to the Opp Utilities Board Human Resources Office at 109 E. Hart Avenue, Opp, AL 36467.
